

#### Special Technology Zone Authority

### Zone Enterprises - Technology Domains

The domain categories have been classified by Winston Tech Zone for the convenience of potential Zone Enterprises. These groupings are not officially prepared by Winston Tech Zone. However, the subdomains are sourced directly from the STZA-ZE Regulations.

# Information & Communication Technology (ICT) and Digital Transformation

- Artificial Intelligence & Machine Learning
- Big Data Analytics
- Cloud Computing
- Internet of Things (IoT) & Wearables
- Mobile Payment
- → Fintech & Blockchain
- Distributed Ledger Technology (DLT)
- Natural Language Processing (NLP)
- Augmented Reality / Virtual Reality (AR/VR)
- ICTS (Information & Communication Technology Services)
- IT & ITeS (IT-Enabled Services)

Advanced
Computing &
Emerging
Technologies

- Quantum Computing

- Precision Instruments
- Converging Technologies

### Biotechnology, Healthcare & Life Sciences

- ⊕ Biotech & Genomics
- Biomedical Technology
- Medical Devices
- Pharmaceuticals

Engineering & Manufacturing Technologies

- **⊕** Electric Vehicles
- Automobiles
- Smart Devices (Smartphones & Laptops)
- **⊙** Electronics
- Satellites

#### Energy, Environment & Sustainability

- Sustainable & Renewable Energy
- **⊙** Green Energy
- Environmental Technologies

## Education, Research & Creative Industries

- **⊕** EdTech
- **⊙** Science & Technology Institutions
- Technology Skill Development Centers
- Creative Industries
